

**Assortment change**

**March 2023**

Dear trading partner,

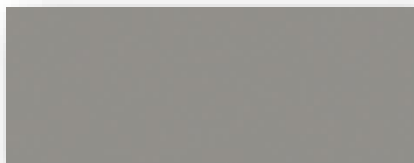

Please note the information below regarding the assortment change of our Collection 2023.

Due to the market withdrawal of a supplier, we unfortunately have to remove the handle 521 from our range with immediate effect without replacement.

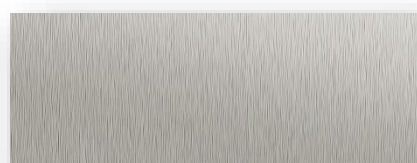

From 01.03.2023 order entry, our new carcass decor „PLATINUM GREY“ (052) is available; this colour represents the almost 1:1 replacement for our carcass-décor „Stainless-steel coloured“ (070).

Please note that the carcass - colour „070“ can no longer be ordered with immediate effect; orders already confirmed in this colour will still be delivered.

Platinum grey (052)

Stainless steel coloured (070)

Thank you for your understanding in advance regarding these changes.

Best wishes from Löhne

Your RWK & Kuhlmann Küchen - Team
